MEMORANDUM FOR: Director of Data Processing
Director of Research and Development

FROM:

Information Handling Systems Architect

SUBJECT:

Los Alamos One-week Conference in
"Science and the Information Onslaught,"
1-5 June 1981

1. We have received an invitation to attend the subject meeting. The conveners are anxious to have the Agency represented and have offered to pay the travel expenses for up to two people to attend. Attached is the description material sent to me. In addition, it was mentioned that the NSA would be well represented
